- The Public Hearings are scheduled for Tuesday, June 26, 2012 from 1 p.m. until 5 p.m., and again from 6 p.m. until 8 p.m. in Cheyenne, WY, at the Herschler Building, Room B-63. - If you would like to testify but have not registered to do so, please sign up at the registration table.
- You have 5 minutes to present your testimony unless we determine there are too many people and a shorter duration is necessary to ensure everyone who wants to make a statement is allowed the opportunity to do so. Please state your name and your affiliation. It will help our court reporter if you also spell your name. The hearing officer will keep time and will signal when you have 1 minute left to speak. You will be asked to stop speaking after 5 minutes. After you finish your testimony, the hearing officer may ask clarifying questions.
- Today's hearing will be transcribed. Each speaker's oral testimony will be included in the public docket without change and will be made available online at <http://www.regulations.gov>, including any personal information provided.
- Please be sure to give a copy of any written comments to our staff at the registration table. Any written comments provided will be included in the public docket without change and will be made available online at <http://www.regulations.gov>, including any personal information provided.
- We will not respond to comments during the public hearings. When we publish our final action, we will provide written responses to all oral and written comments received on our proposal.

- Please let us know if we can assist you in any way.
